

**This reads like a declaration of war.**

**Published by Chinese State Media on August 29, 2021**

# **Everyone can feel that a profound change is underway!**

The Chinese entertainment industry has always had no shortage of stinking fierce materials. Not long ago, the chaos of Wu Yifan and Huo Zun and Zhang Zhehan's visit to the Yasukuni Shrine to worship ghosts in Japan have been reported. Recently, Hunan Satellite TV host Qian Feng was suspected of rape. She always makes people feel that the Chinese entertainment industry has sucked. If we don't rectify it, not only the entertainment circle will be horrible, but the entire cultural circle, literary circle, showbiz circle, and film and television circle will also be horrified.

In the past two days, the storm has risen again and the chaos in the entertainment industry has been hit. The Central Cyberspace Administration of China has made heavy efforts to rectify the "rice circle". The State Administration of Taxation has punished Zheng Shuang for tax evasion of 299 million yuan. What does the heavy blow mean?

On August 25, the Central Cyberspace Administration of China issued a notice to strengthen the management of chaos in the "rice circle", and put forward ten requirements for the treatment of chaos in the "rice circle": one is to cancel the list of celebrity artists, and the other is to optimize and adjust the ranking rules. The third is to strictly control star brokerage companies, the fourth is to regulate fan group accounts, the fifth is to strictly prohibit the presentation of mutual tearing information, the sixth is to clean up illegal group sections, the seventh is not to induce fans to consume, the eighth is to strengthen the management of program settings, and the nine is to strictly control unintended Tenth is to standardize fund-raising behaviors for adult participation. The

notice specifically mentions the need to improve political positions, from the perspective of maintaining online political security and ideological security, creating a clear cyberspace, and advancing the management of chaos in the "rice circle". Obviously this is a political action, and all localities must understand this rectification action from a political perspective.

No unique coincidence. On August 27, the State Administration of Taxation announced its penalty decision on the tax evasion case of artist Zheng Shuang. After investigation, Zheng Shuang starred in the TV series "A Chinese Ghost Story" in 2019, and agreed with the producer to pay 160 million yuan for the film, and actually obtained 156 million yuan, which was collected in two parts. Among them, the first part is 48 million yuan, which is to change personal salary income into corporate income for false declaration and tax evasion; the second part is 108 million yuan, where the producer signs a false contract with Zheng Shuang's actual control company in the form of "capital increase" Payment, evade industry supervision to obtain "sky-priced remuneration", conceal income, make false declarations, and evade taxes. In the "A Chinese Ghost Story" project, Zheng Shuang's illegal facts were found to be 43.027 million yuan in tax evasion, and other taxes were underpaid 16.177800 yuan. At the same time, it was found that after regulating the taxation order of the film and television industry in 2018, Zheng Shuang had other performance income of 35.07 million yuan. There were also problems with changing the nature of personal income in the name of corporate income and making false declarations. According to Zheng Shuang's illegal facts, he was determined to be tax evasion by 224.26. RMB 10,342,900 in other taxes were underpaid. In total, Zheng Shuang failed to declare his personal income of 191 million yuan from 2019 to 2020, evaded taxes of 45.269 million yuan, and underpaid other taxes of 26,520,700 yuan.

According to relevant laws and regulations, Zheng Shuang was fined a total of 299 million yuan in tax collection, late payment fees and fines. Among them, the tax recovered according to the law was 71,790,300 yuan, plus a late fee of 8,889,800 yuan; a four-fold

fine of 30,695,700 yuan was imposed on the portion of tax evasion that changed the nature of income; and the so-called "capital increase" was imposed on the portion of tax evasion that completely concealed income. "The fine was 188 million yuan. According to the "Criminal Law of the People's Republic of China", if the fine is not paid within the prescribed time limit, the tax authority will transfer it to the public security authority for handling. The State Administration of Radio, Film and Television issued a notice requiring all levels of radio and television broadcasting organizations, radio and television video-on-demand business establishments, and network audio-visual program service organizations not to invite Zheng Shuang to participate in the production of programs, and to stop broadcasting programs that Zheng Shuang has participated in. Recently, Zhao Wei, who often appears on the headlines of various news lists, has had an accident again. On August 26, Zhao Wei's super words disappeared on Weibo, and many dramas such as "Return to the Pearl" and "Deep Love in the Rain", Zhao Wei was deleted from the credits displayed on the websites of Tencent and iQiyi Go to the name.

It is said that Zhao Wei should have disappeared from the Chinese public view more than 20 years ago, but she has become more and more developed. Twenty years ago, she appeared in the public eye wearing the rising sun flag of the Japanese invaders and was punished by the entire network. She was not banned. Instead, she called the cloud and the rain in the Chinese capital market, and was hailed as the Chinese female version of Buffett. At that time, she was fighting fiercely with Ma Yun, Wang Lin and other masters. She was able to control public opinion, and negative news about her was often cleared. Later, in her film "No Other Love", the male protagonist Dai Liren was a diehard Taiwanese independence element, and the female protagonist Kiko Mizuhara was a Japanese anti-Chinese activist who supported the visit to the Yasukuni Shrine. This caused public outrage. What is strange is this one. Things were quickly calmed down. Recently, Zhao Wei's actor Zhang Zhehan has appeared at the Yasukuni Shrine many times, making Nazi gestures and making friends with the Japanese right wing, which aroused public outrage among the

people across the country. The problem remains that no matter how much negative news there is, Zhao Wei will never fail. This is always a mysterious problem. Now it seems that it is not not that it is not reported, it is not the time.

Another American Gao Xiaosong was removed from the shelves at the same time as Zhao Wei. His programs "Xiao Shuo" and "Xiao Song Qi Tan" have long been published on the Internet and TV stations in my country. He talked nonsense about history. He criticized the Chinese to become his fans.

From rectifying the rice circle to punishing Zheng Shuang, and then banning Zhao Wei and Gao Xiaosong from the shelves, how do we feel about what happened in just two days? If we look at this series of events from a higher political level, we will discover the historical trend and development trend of a country from some details.

From the suspension of Ant' s listing, to the central government' s rectification of economic order and anti-monopoly, to the 18.2 billion fine of Ali and the investigation of Didi, to the grand commemoration of the 100th anniversary of the founding of the party by the central government, the proposal to take the path of common prosperity, and the recent chaos in the entertainment industry. The series of rectification actions by the People' s Republic of China are telling us that China is undergoing major changes, from the economic, financial, cultural, and political fields to a profound change, or it can be said to be a profound revolution. This is a return from the capital group to the people, and this is a transformation from capital-centered to people-centered. Therefore, this is a political change, the people are becoming the main body of this change again, and all those who block this people-centered change will be discarded. This profound change is also a return, a return to the original intention of the Chinese Communist Party, a

return to the people-centered nature, and a return to the essence of socialism.

This revolution will wash away all the dust. The capital market will no longer be a paradise for capitalists to get rich overnight, the cultural market will no longer be a paradise for nymphomaniac stars, and news and public opinion will no longer be a position for worshipping Western culture. Red returns, heroes return, and bloody return. . Therefore, we need to control all cultural chaos and build a lively, healthy, masculine, strong, and people-oriented culture. We need to combat the chaos of big capital manipulation, platform monopoly, and bad money driving out good money in the capital market. Guide the flow of funds to entity companies, to high-tech companies, and to the manufacturing industry. The ongoing governance and education chaos starting from governance training institutions and school district houses will allow education to truly return to civilians and fairness, so that ordinary people will have upward mobility. Space, in the future, we need to control high housing prices and high medical expenses, and completely level the three mountains of education, medical care, and housing. Although we are not trying to kill the rich and help the poor, we need to effectively solve the problem of increasing income gap between the rich and the poor. Common prosperity is to allow ordinary workers to obtain more income in the distribution of social wealth. This change will bring a series of new weather to our society. The current efforts to rectify the entertainment, art, and film and television circles are far from enough. We must use all means to combat the various star-chasing and fan-chasing phenomena in the current society. , Completely put an end to the phenomenon of “baby guns” and “small fresh meat” in the social character, and truly let the entertainment, art, and film and television circles be upright and upright. Laborers and ordinary people have become the masters and protagonists of literature and art.

China is currently facing an increasingly severe and complex international environment. The United States is implementing increasingly severe military threats, economic and technological

blockades, financial strikes, political and diplomatic siege against China, and is launching biological warfare, cyber warfare, and public opinion against China. Wars and space wars, with increasing intensity, launched a color revolution against China through the fifth column within China. If at this time, we have to rely on those big capitalists as the main force of anti-imperialist and anti-hegemony, and are still catering to the American nipple strategy, so that our young generation will lose their strong and masculine glory, then we don't need enemies to fight. I fell first, just like the Soviet Union back then, letting the country collapse, letting the country's wealth be looted, and letting the people fall into serious disaster. Therefore, the profound changes currently taking place in China are precisely in response to the current severe and complicated international situation, precisely in response to the brutal and ferocious attacks that the United States has begun to launch against China.

Every one of us can feel that a profound social change has begun. Not only the capital circle, but also not only the entertainment circle, it must not only destroy the dry, but also repair the wounds, clean the house, freshen the air, and make our society healthier. Let social subjects feel physically and mentally happy. (Li Guangman)

**每个人都能感受到，一场深刻的变革正在进行！**

中国娱乐圈一直都不缺臭气熏天的猛料，前不久相继爆出吴亦凡、霍尊的乱象以及张哲瀚到日本靖国神社拜鬼之事，近日又爆出湖南卫视主持人钱枫涉嫌强奸她人一事，总让人感觉中国娱乐圈已经烂透了。如果再不整治，不仅娱乐圈烂透了，整个文化圈、文艺圈、演艺圈、影视圈也都烂透了。

这两天，风暴再起，直击娱乐圈乱象，中央网信办重拳整治“饭圈”，国家税务总局处罚郑爽偷逃税2.99亿元，各大平台下架赵薇、高晓松，这次对娱乐圈的重击意味着什么？

8月25日，中央网信办发布加强“饭圈”乱象治理的通知，提出了治理“饭圈乱象”的十点要求：一是取消明星艺人榜单，二是优化调整排行规则，三是严管明星经纪公司，四是规范粉丝群体账号，五是严禁呈现互撕信息，六是清理违规群组版块，七是不得诱导粉丝消费，八是强化节目设置管理，九是严控未成年人参与，十是规范应援集资行为。通知特别提到要提高政治站位，从维护网上政治安全和意识形态安全、营造清朗网络空间的高度认识和推进“饭圈”乱象治理工作。显然这是一次政治行动，各地都必须从政治高度来认识这一整治行动。

无独有偶。8月27日，国家税务总局公布对艺人郑爽偷逃税案的处罚决定。经查，郑爽于2019年主演电视剧《倩女幽魂》，与制片人约定片酬为1.6亿元，实际取得1.56亿元，分为两个部分收取。其中，第一部分4800万元，将个人片酬收入改变为企业收入进行虚假申报、偷逃税款；第二部分1.08亿元，制片人与郑爽实际控制公司签订虚假合同，以“增资”的形式支付，规避行业监管获取

“天价片酬”，隐瞒收入进行虚假申报、偷逃税款。在《倩女幽魂》项目中，根据郑爽违法事实认定为偷税**4302.7万元**，其他少缴税款**1617.78万元**。同时查明，2018年规范影视行业税收秩序后，郑爽另有其他演艺收入**3507万元**，同样存在以企业收入名义改变个人收入性质、进行虚假申报的问题，根据郑爽违法事实认定为偷税**224.26万元**，其他少缴税款**1034.29万元**。以上合计，郑爽2019年至2020年未依法申报个人收入**1.91亿元**，偷税**4526.96万元**，其他少缴税款**2652.07万元**。

根据相关法律规定，对郑爽追缴税款、加收滞纳金并处罚款共计**2.99亿元**。其中，依法追缴税款**7179.03万元**，加收滞纳金**888.98万元**；对改变收入性质偷税部分处以**4倍**罚款，计**3069.57万元**；对收取所谓“增资款”完全隐瞒收入偷税部分处以**5倍**“顶格”罚款，计**1.88亿元**。根据《中华人民共和国刑法》规定，若其在规定期限内未缴清罚款，税务机关将依法移送公安机关处理。广电总局发出通知，要求各级广播电视播出机构、广播电视视频点播业务开办机构和网络视听节目服务机构不得邀请郑爽参与制作节目，停止播出郑爽已参与制作的节目。最近，经常出现在各类新闻榜头条的赵薇又出事了。8月26日，赵薇的超话在微博消失，《还珠格格》、《情深深雨濛濛》等多部剧集，在腾讯、爱奇艺网站显示的演职员表中，赵薇被删去名字。

按说，赵薇早在二十多年前就应该从中国公众视野中消失，可她却越来越发达。二十年前，她身穿侵华日军的旭日旗出现在公众视野，受到全网讨伐，她竟然没有遭到封杀，反而在中国的资本市场上呼云唤雨，被誉为中国女版巴菲特，那个时候她跟马云、王林等大师打的火热，她能够掌控舆论，有关她的负面新闻经常遭到清理。后来在她导演的影片《没有别的爱》中，男主角戴立忍是死硬的台独分子，女主角水原希子是支持参拜靖国神社的日本反华分子，由此引起公众愤怒，令人奇怪的是这件事也很快被平息下去。最近赵薇旗下演员张哲瀚多次出现在靖国神社，做纳粹手势、结交日本右翼，引起全国人民公

愤。问题仍然是，无论有多少负面新闻，赵薇始终不倒，这始终是一个迷样的问题，现在看来，不是不报，是时候未到。

与赵薇同时下架的还有另一个美国人高晓松，我国网上、电视台长期都有他的节目《晓说》、《晓松奇谈》等，他胡扯乱谈历史，崇美跪美，忽悠了一批中国人成为他的粉丝。

从整治饭圈到处罚郑爽，再到下架封杀赵薇和高晓松，仅仅两天内发生的事，我们有什么感觉？如果我们从更高的政治层面来看这一系列事件，就会从一些细节中发现一个国家的历史走向和发展趋势。

从蚂蚁上市被叫停，到中央整顿经济秩序、反垄断，到阿里被罚182亿元和滴滴被查，到中央隆重纪念建党100周年，提出走共同富裕道路，以及最近对娱乐圈乱象的一系列整治动作，都在告诉我们，中国正在发生重大变化，从经济领域、金融领域、文化领域到政治领域都在发生一场深刻的变革，或者说可以说是一场深刻的革命。这是一次从资本集团向人民群众的回归，这是一次以资本为中心向以人民为中心的变革。因此，这是一场政治变革，人民正在重新成为这场变革的主体，所有阻挡这场以人民为中心变革的都将被抛弃。这场深刻的变革也是一次回归，向着中国共产党的初心回归，向着以人民为中心回归，向着社会主义本质回归。

这次变革将荡涤一切尘埃，资本市场不再成为资本家一夜暴富的天堂，文化市场不再成为娘炮明星的天堂，新闻舆论不再成为崇拜西方文化的阵地，红色回归，英雄回归，血性回归。因此我们需要治理一切文化乱象，建设鲜活、健康、阳刚、强悍、以人民为中心的文化，我们需要打击资本市场上大资本操纵、平台垄断通吃、劣币驱逐良币的乱象，引导资金流向实体企业、流向高科技企业、流向制造业，当前正在进行的从治理培训机构、学区房开始的治理教育乱象，让教育真正回归平民化、公平性，使普通人有向上流动的空间，未来还要治理高房价、高医疗费，彻底铲平教育、医疗、住房三座大山。虽然我们

搞杀富济贫，但需要切实解决富者愈富、贫者愈贫的收入差距越来越大的问题，共同富裕是要让普通劳动者在社会财富分配中能够获得更多收入。这次变革将给我们社会带来一系列新的气象，当前对娱乐圈、文艺圈、影视圈的整治力度还远远不够，要使用一切手段打击当前社会上存在的各种追星、饭圈现象，彻底杜绝社会性格中的娘炮和小鲜肉现象，真正让娱乐圈、文艺圈、影视圈风正、气正，我们的各类文学艺术工作者、影视工作者都要下基层，让普通劳动者、普通老百姓成为文学艺术的主人翁和主角。

**当前中国**面临着越来越严峻复杂的国际环境，美国正在对中国实施越来越严厉的军事威胁、经济及科技封锁、金融打击、政治及外交围剿，正在对中国发动生物战、网络战、舆论战、太空战，力度越来越大地通过中国内部的第五纵队对中国发动颜色革命。如果这个时候，我们还要依靠那些大资本家作为反帝国主义、反霸权主义的主力、还在迎合美国的奶头乐战略，让我们的青年一代失去强悍和阳刚的雄风，那么我们不用敌人来打就自己先倒下了，就像当年苏联一样，任国家崩溃、任国家财富被洗劫、任人民陷入深重灾难。因此当前我们中国正在发生的这场深刻变革，正是为了应对当前严峻而复杂的国际形势，正是为了应对美国已经开始对中国发动的野蛮而凶猛的攻击。

**我们**每个人都能感受到，一场深刻的社会变革已经开始，不仅资本圈，也不仅娱乐圈，不仅要摧枯拉朽，而且要刮骨疗伤，还要清扫屋子，清新空气，让我们社会更加健康，让社会主体能够感到身心愉悦。（李光满）
